

Tullibardine

HIGHLAND SINGLE MALT
SCOTCH WHISKY

AGED **18** YEARS

Our Distillery

Founded in 1947 on a site with a brewing heritage dating back to 1488. Our distillery proudly sits in the village of Blackford, at the gateway to the Scottish Highlands.

We're one of only a handful of distilleries to have a Cooperage and Bottling Plant onsite, allowing us full control over the whisky-making process from grain to glass.

The Whisky

This exceptional single malt has been double matured in first-fill bourbon (75%) and Oloroso Sherry (25%) casks. It is a true reflection of the outstanding quality and craftsmanship of our whiskies.

Finish: Spice on the palate mellows, the finish is smooth and buttery.

Food pairing: Salted caramel.
