HIGHLAND SINGLE MALT
SCOTCH WHISKY

SOVEREIGN

Matured in Bourbon Barrels

Our Distillery

Founded in 1947 on a site with a brewing heritage dating back to 1488. Our distillery proudly sits in the village of Blackford, at the gateway to the Scottish Highlands.

We're one of only a handful of distilleries to have a Cooperage and Bottling Plant onsite, allowing us full control over the whisky-making process from grain to glass.

The Whisky

Tullibardine Sovereign is our signature single malt. Fully matured in carefully selected first-fill bourbon barrels, it showcases the classic rich and fruity profile of the distillery.
