American Rye - UNPEATED

These American ex-Rye Whiskey casks are from Woodford Reserve Distillery, KY where they use 53% Rye in their mash bill. The flavors emulate history's original Rye whiskies with strong, peppery, spicy flavors in a sea of fruit and butterscotch.

These casks develop interesting pepper, spice, and butterscotch flavors in our whisky.

Natural cask strength, non-chill filtered, natural colour.

Flavour Profile:
black pepper, butterscotch,
sweet spice, vanilla

Distilled, matured, bottled and shipped directly from the Isle of Raasay.
