NA SIA SINGLE CASK - 5 YEARS YOUNG

Virgin Chinkapin Oak - UNPEATED

Freshly charred and toasted, these custom made Chinkapin, or Quercus Muehlenbergii, American White Oak casks are a type of Oak native to Central and Eastern North America.

The fresh charring of the cask brings a rich color and flavour early on in the maturation process and the high toast caramelises the natural sugars in the wood. Expect sweet toffee and butterscotch on the nose; with vibrant dark fruit flavors and deep, rich colors at a young age.

Natural cask strength, non-chill filtered, natural colour.

Flavour Profile:
toffee, Scottish tablet
sweet ginger, heather honey
dark fruits, red currants, malted granary bread.

Distilled, matured, bottled and shipped directly from the Isle of Raasay.
Isle of Raasay population: 161 people.
